Our Digital Services

- Digital Marketing Management
- Social Media Advertising
- Social Media Management
- Web Design
- Creative Logo Design
- SEO

Digital Marketing Management

We start by creating your advertising accounts and making sure they are set up for success. Then we check and optimize your ads on an ongoing basis to make sure they are performing at their best. In addition, we provide reporting and analysis so that you can see the results of our efforts. Our goal is to help you grow your business by driving more traffic and conversions through your digital channels. Contact us today to learn more about our digital marketing management services and have free analysis!

Google Ads

We send you a guide on how to set up your own Google Ads accounts, to provide you with full confidentiality. Then we start moving your ads further and make them run smarter.

Instagram/Facebook Ads

We are running your social media ads through our Meta Ads account.

Social Media Ads

We utilize social networks such as Facebook, Twitter, and Instagram so that you can reach your target audience by using Social Media Ads.

We help you boost your campaigns to enable you to connect with your potential customers in a fast and effective way.

Social Media Management

Our framework is composed of 3 elements;

1.

Content Creation

2.

Moderation

3.

Social Media Advertising

Web Design

We believe that a well-designed website is one of the most powerful marketing tools available, and we're dedicated to helping our clients create websites that reflect their unique value proposition. If you're looking for a web design company that will partner with you to create a stunning and effective website, Mayas Digital is the right choice.
